The Brief: Homage to Creativity

The Ambassador has commissioned you to pay homage to creativity by designing something (anything!) spectacular in your chosen discipline. You can use any element(s) from the Hello Ambassador logo, website or overall concept as inspiration.

Alternatively you can enter any pre-existing work, as long as it has not been a part of previous awards or competitions and adheres to the hand-in specifications and entry requirements. With this option any themes and concepts are welcome.

Hand-in specifications:

1. Fine arts and photography

Create a painting, print, drawing, sculpture, installation, photograph, conceptual or video artwork. There are no size requirements, but remember that we should be able to exhibit the original work at the conference. Hand-in a scan, photograph or digital image of your final design in jpeg format. In the case of video art or documentation, the video should be encoded and uploaded to an online platform of your choice and the link sent as entry.

2. Graphic design and illustration

Design a T-shirt, poster, graphic novel, illustration or packaging for an imagined product. Hand in a scan, photograph or digital image of your final design in jpeg format. No corporate identities please.

3. Architecture, industrial and interior design

Design any object, interior / exterior space or building. Hand in a 3D rendering, artist impression or photograph of a scale model in jpeg format. Plans and elevations can assist your hand-in, but is not compulsory and should be integrated into your final hand-in. Plans and elevations on their own will not qualify.

4. Film and animation

Any short films, feature films, experimental films or videos, stop frame animations, 2D / 3D animations and music videos can enter. Encode your work in a format of your choice, upload it to an online platform of your choice, and send us the link as entry. All genres welcome.

5. Fashion design

Design a clothing line, fashion label, garment or accessory. Hand in a 3D rendering, artist impression or photograph of the final design in jpeg format.

6. Music

Write a song, compose a music piece, or create a music video in a genre of your choice. Record your track or video, upload it to an online platform, and send us the link as entry. Only original music will qualify, no remixes or covers
